FOR IMMEDIATE RELEASE

Jet Boats Generate High-Speed Wisconsin Dells Fun

WISCONSIN DELLS, Wis. (May 1, 2019) – Part thrill ride, part river tour, Jet Boat Adventures creates the best of both worlds for Wisconsin Dells visitors. The fast-paced trip aboard high-powered jet boats takes passengers on an exciting ride along the scenic Wisconsin River as it winds through Wisconsin Dells. It’s a pure adrenaline rush as expert boat pilots perform spin outs and power stops creating huge waves of water that drench passengers.

“During the summer people just want to be out on the water and the Jet Boats give passengers an exhilarating ride with a big splash of water to cool you off on a warm day,” said Dan Gavinski, general manager of Jet Boat Adventures.

It’s a unique way to get wet in the Waterpark Capital of the World®. The premier powerboat experience is a 50-minute thrill ride on either the Upper or Lower Dells of the Wisconsin River. Set against an awesome scenic backdrop, skilled pilots cruise along on the water and then turn the boat to perform a spinout, or do a quick power stop, all with one goal in mind – everyone gets wet. You can ride in your street clothes but bring a towel because you will get doused.

The super-charged boats are fueled by up to 1200-horsepower engines. They are designed to skim the water with the help of powerful air jets that allow them to travel in water as shallow as 12 inches. The ride focuses on high speeds with experienced pilots

throttling the Jet Boat up to 40 mph to perform maneuvers sure to leave passengers soaked.

“Taking a Jet Boat ride is quite a rush; our pilots are great at maneuvering the boats to create huge sprays of water,” said Gavinski.

Jet Boat Adventures revs up for its summer run beginning mid-May, weather permitting. Tours go full throttle Memorial Day weekend. The 50-passenger boats operate on both the Upper Dells and the Lower Dells with ticket booths located at either end of the bridge over the dam where the Jet Boats launch from the boat docks. Tickets can be purchased online at www.jetboatadv.com. Prices are \$30 for adults ages 12 and older and \$15 for children ages 4 to 11. Parents are advised that children ages three and younger are not permitted to ride the Jet Boats.

For those wanting to get back out on the river to take in the views at a more leisurely pace, Dells Boat Tours offers money-saving combination packages with traditional Upper Dells or Lower Dells boat cruises. Packages are also available with Original Wisconsin Ducks amphibious tours, giving visitors a variety of ways to get on the water to see the beautiful river bluffs.

Jet Boat Adventures 2019 season runs May 11 through October 14. Call for departure times during the late spring and early fall as they fluctuate with the weather. Otherwise, riders are sure to catch a Jet Boat ride every 30 – 45 minutes 10:00 a.m. to 7:00 p.m. during the peak summer season.

The splash-and-dash Jet Boat Adventures are one of several tour options offered by Dells Boats Tours. For over 165 years, Dells Boat Tours have been a mainstay attraction in Wisconsin Dells delighting travelers of all ages. Tours run on a 7½-mile stretch of the Wisconsin River giving vacationers an up-close view of the rocky cliffs that are the signature of Wisconsin Dells.
